BIKE CRASH KILLS METRO POLICE OFFICER

—SCOTT WINS—

Michael C. Carter, 28, of Oshawa and a Metro Toronto police officer was killed early Sunday on Brady Lake Road when he was thrown from a motorcycle.

The motorcycle is believed to have gone off the road on a curve, thrown Carter over an embankment where the 900-pound machine landed on top of him. He died of a broken skull and neck.

Carter, a member of Metro's Auto Squad, was not wearing a safety helmet.

Coroner was Dr. E. Christianson.

Carter was vacationing with his wife and three children at the time.

A second motorcycle accident sent Peter Crawford, 34, of Toronto to Lindsay Hospital, Saturday, where he is in serious condition. The bike he was riding struck a guide rail on Hwy. 35 near Wren Lake.

In still another motorcycle mishap, David R. Palmer, 23, of Mississauga was charged with careless driving after he failed to negotiate a curve and was thrown from his bike Monday afternoon on Hwy. 35 a half mile north of North Shore Road.

Violet J. Cowen, of Haliburton suffered bruises and was taken to Haliburton Hospital after her car left Hwy. 121 Friday and struck a rock cut. Charges are pending. Damage of \$400 and a charge of failing to share half the roadway against Geoffrey F. Darby of Toronto occurred when his car struck a vehicle driven by Anthony M. Dicocco of New York on Saturday on County Road 11.

Brian Bannon

ARMS RAISED HIGH IN VICTORY, VICTORIA-HALIBURTON'S BILL SCOTT WAVES TO WORKERS AND WELL-WISHERS ALIKE AS THEY THROGGED HIS CAMPAIGN ROOMS MONDAY EVENING AFTER VOTERS RETURNED HIM TO OTTAWA FOR HIS FOURTH TERM WITH A PLURALITY OF MORE THAN 6,000 VOTES. WITH MR. SCOTT IS CAMPAIGN WORKER BERT HICK JR.

Scott wins handily

A fat-cat Ontario rejected the seemingly austere and restrictive anti-inflation measures of Robert Stanfield last Monday to effectively stymie the country's Progressive Conservatives and make possible the return to power of the Liberal Party and Pierre Trudeau with a comfortable majority. One of the few bright lights for the PC's in an otherwise sad and disappointing day was the reelection of Bill Scott in Victoria-Haliburton. For the other two parties contesting the riding Mr. Scott's win came as no surprise.

At press time the nationwide results were:

Liberals	140 seats
PC's	95
NDP	16
Socred	12
Other	1

While most of Ontario not only jumped on the Liberal

bandwagon but played a major part in creating it, Victoria-Haliburton streamed to the polls to give Kinmount's Bill Scott 16,297 votes, a 6,392 majority over his closest rival, Liberal Dave Walling, who polled 9,905 votes. NDP candidate Maurice Windatt lost his deposit with votes totalling just 3,891.

Although elated at being returned to office for his fourth consecutive term, Mr. Scott expressed disappointment at his party's overall showing. 'Monday's voting indicated the rejection of the NDP by many of its supporters who swung to the Liberals instead', said Mr. Scott. 'It also shows the country's determination to have majority rather than minority government'.

Fire Hazard Rises

The Ministry of Natural Resources forest fire detection aircraft was ordered airborne over the Highlands this week after recent winds and heat caused a high fire hazard warning in the area.

Meanwhile all three of the Ministry's local fire fighting unit crews together with four supervisory staff from the area are still in north-west Ontario battling the worst rash of forest fires in 13 years.

Ministry of Natural Resources experts say any fires in the Minden area can be handled by local fire wardens and neighboring unit crews. However a stern 'Be Careful' warning is in effect.

Flag-napping hits area

The latest nuisance fad to hit the Highlands this summer is flag-napping. In fact, flag-napping threatens to replace streaking as the area's most popular outdoor sport. Police believe young tourists are responsible for five recent Canadian flag thefts prior to and over the last holiday weekend.

According to police large flags have been reported stolen by Stedmans in Minden, the Haliburton Post Office, Haliburton Legion, The Sentinel and Curry Motors. In one case Gerry Pillsworth of Stedmans chased the thieves but failed to apprehend them. OPP Community Relations Officer, Wim Magee offers three suggestions to flag owners: flags should be bolted to poles, they should be accessible only by ex-

tension ladders and should be taken down at sunset and raised again at sunrise as flag etiquette prescribes.

Spewed gravel

The driver of a loaded tandem dump truck that spewed sand and gravel on following cars was convicted in Provincial Court Minden this week of having an insecure load.

Terry D. Cowen of Haliburton was fined \$50 Tuesday after police discovered the tailgate of his truck to be improperly fastened last June on Highway 121. A motorist had complained to police that gravel falling from the truck damaged his windshield.

BARE FACTS

Police chase

A totally unclothed streaker outran uniformed OPP Corporal Jack Dunn in a chase through the OPP's Minden Detachment office on Hwy. 35 last weekend.

Corporal Dunn gave chase after the man streaked into the OPP office and started down a hall. They raced through the hallway and out a rear door where the streaker managed to escape over the top of a nearby hill. No other officers were in the building at the time. The streaking incident is believed to have stemmed from a dare made by celebrants in an area hotel.

HERE and THERE with NORM MAIDENS

(Earl T. Monahan Pinch-Hitting)

Some interesting tablemates at Hospitality Inn this week include 85 year old Mrs. Arthur Plante of Toronto, who, at age 15, left her hometown of Renfrew in 1905 to pioneer in Edmonton, Alberta. Mrs. Plante, then Mary Morgan, lived with her sister and brother-in-law in the western town, and broke horses for her sister's husband. Mary was also a member of one of Canada's first basketball women's teams, playing in and around Edmonton during 1908. That friends is not too long after Dr. Naismith invented the game in 1898 at the Springfield, Mass. YMCA, using a couple of peach baskets to capture the round ball. Mrs. Plante is accompanied by her granddaughter Marianne O'Leary, also of Toronto. Marianne had the pleasure of celebrating her 13th birthday in Haliburton County on July 2. She will have to go some to match grandma's varied career.

Nice to stop in at Bill O'Brien's watering place and relax with cooling beverages on a hot day. Bill's Rockcliffe Hotel seems to be a very popular spot.

On Dominion Day, Jim Robertson of the Canadian Broadcasting Co. at Toronto interviewed me via telephone for a taped radio bit on my experiences in the Highlands of Haliburton over the years. Unfortunately, I forgot to ask him when and where the show was to be aired, so missed hearing my radio debut in this area.

You hockey fans are no doubt aware that my home town, Rochester, N.Y., has been a focal point of interest in the hockey world the past few weeks with Don Cherry, general-manager and coach of the Rochester Amerks of the American Hockey League, finally accepting the post of coach of the Boston Bruins of the National Hockey League.

Cherry, a 10 year resident of Rochester, is originally from somewhere up here in the North country, and has made an Horatio Alger rise in the hockey world. Three years ago he was coaching the Rochester suburban Pittsford High School hockey team.

Two years ago when the Vancouver club after a dismal show as owners of the Amerks for several years sold to local Rochester interests, Cherry was hired as coach.

Cherry, a third place finish his first year, coached the Amerks to the top of the league, winning 'Coach of the Year' award two years in a row in the American Hockey League. From Pittsford High School to the Boston Bruins - not bad, not bad.

During the interesting meeting held on June 26 at the Community Centre concerning 'Growth of Haliburton West', Mrs. Shirley Brandon asked for any comments I might have for promotion of the area.

My suggestion was for Minden to provide a town symbol in the form of a statue that would induce travellers to make Minden a MUST stop. I cited the two best known examples in the U.S. and Canada, the Big Goose at Wawa, Ontario, and the 52-ft. statue of Hiawatha at Ironwood, Michigan.

I am particularly familiar with both of these as I have not only visited these great drawing cards, but have written a number of articles and stories about them and their towns. No editor ever turned me down on using either of these spectacular photos.

I'll dig through my attache case and see if I can't come up with some sort of a photo of one of them that Bill Foote can reproduce in this column. Let's hear it from you Minden thinkers, we must have something indigenous to the region that could top a Big Goose or a Big Indian. Back to the Salt Mines, Maidens.

That's my boy Earl Monahan

World's tallest Indian, 52-ft. statue of Hiawatha, erected by Ironwood, Michigan, as a draw for tourists. 'Little Chief' is Earl T. Monahan, publicist, and good friend of the Haliburton Highlands.

Important PROPERTY OWNERS

M.L.S. means Multiple Listing Service through a Real Estate Board. There are approximately 43 Real Estate Boards in Ontario. You may list your property through any one of your choice, however, it is only common sense to list with the Board in your own area. By doing so you will obtain the best results.

The reason is, of course, that most brokers in your area belong only to the local Real Estate Board. The brokers in your area are most likely to sell your property.

When you have a property to sell, list it with a broker displaying the REALTOR symbol and make sure he is a member of the LINDSAY-HALIBURTON REAL ESTATE BOARD.

TOWNSHIPS OF ANSON, HINDON & MINDEN NOTICE

NOTICE of application to The Ontario Municipal Board by the Townships of Anson, Hindon and Minden for approval of a by-law to regulate land use passed pursuant to Section 35 of The Planning Act.

TAKE NOTICE that the Council of the Corporation of the Townships of Anson, Hindon and Minden intends to apply to The Ontario Municipal Board pursuant to the provisions of Section 35 of The Planning Act for the approval of By-law 74-22 passed on the 12th day of June 1974. Provisions of the By-law are furnished herewith.

By-law 74-22 being a By-law to amend By-law 14-67.

WHEREAS authority is granted under Section 35 of The Planning Act, R.S.O. 1970 subject to the approval of The Ontario Municipal Board, to the Council of the Corporation of the Townships of Anson, Hindon and Minden to exercise such powers.

THEREFORE the Council of the Corporation of the Townships of Anson, Hindon and Minden enacts as follows:

SECTION 4: The following be added as Section 4.18

No trailer home or mobile home originally designed to be mobile shall be permitted on any lands in the Municipality except in a mobile home subdivision approved by the Council under the terms and conditions outlined by Municipal By-laws.

Notwithstanding the above provision, buildings constructed that are commonly referred to as 'double wides' shall be permitted provided they conform to all Municipal By-laws.

Read a first, second and third time and passed the 12th day of June 1974.

Signed
Reginald Booth, Reeve
Richard Parisotto, Clerk

ANY PERSON INTERESTED may within fourteen (14) days after the date of this notice, send by registered mail or deliver to the Clerk of the Townships of Anson, Hindon and Minden notice of his objection to approval of said by-law, together with a statement of the grounds of such objections.

ANY PERSON wishing to support the application for approval of the by-law may within fourteen (14) days after the date of this notice send by registered mail or deliver to the Clerk of the Townships of Anson, Hindon and Minden, notice of his support of approval of the said by-law together with a request for notice of hearing that may be held giving also the name and address to which such notice should be given.

THE ONTARIO MUNICIPAL BOARD may approve of the said by-law but before doing so, it may appoint a time and place when any objection to the by-law will be considered. Notice of any hearing that may be held will be given only to persons who have filed an objection or notice of support and who have left with or delivered to the Clerk undersigned the address to which notice of hearing is to be sent.

THE LAST DATE FOR FILING OBJECTIONS WILL BE AUGUST 6th, 1974.

DATED at the Townships of Anson, Hindon and Minden this 11th day of July, 1974.

Richard Parisotto, A.M.C.T.
Clerk Administrator
Box 98
Minden, Ontario.

FURTHER TAKE NOTICE that the Council of the Corporation of the Townships of Anson, Hindon and Minden has passed By-law 74-22 amending the Restricted Area By-law 14-67 to prohibit the placing of trailer and mobile homes on any lands except in a mobile home subdivision approved by the Council.

By-law 74-22 is available for perusal by any person at the Minden Municipal Offices during normal working hours.

BEYOND REASON

by

PETER G. SWEET

SNIPPY, the Wonder Horse

(13 IN A SERIES)

The kidnapping of people and the apprehension of livestock by flying saucers goes back at least 100 years. Further, records show these events to have been witnessed by many persons. The most classic case happened in April, 1897 in LeRoy, Kansas. A prominent farmer named Alex Hamilton says he and his family saw a 'hugh cigar-shaped object occupied by six of the strangest beings I ever saw' hovering over his farm. Lowering a rope, the occupants lassoed a two-year old heifer, lifted it up and hauled it away into the sky. All this was affirmed by Hamilton in an affidavit. On September 7, 1956, near Twin Falls, Idaho, three men said they watched a hugh saucer-shaped object, some two hundred feet in diameter, land in a field containing a steer. Before they could reach it, it took off with the steer.

On October 9, 1967, Associated Press released a news story one month after the story had happened --

An autopsy on a dead horse has started a new wave of flying saucer talk. The horse was found dead near Alamosa, Colorado, all flesh stripped from its neck and head. An autopsy showed that its abdominal, brain and spinal cavities were empty, and the Denver pathologist can't explain that. An investigation of the area where the horse died showed what appeared to be 15 circular exhaust marks, on the ground, along with six identical holes, all two inches wide and four inches deep. All this has led to the view that the horse was killed by the occupants of a flying saucer.

The circumstances around this story are the strangest that have ever occurred on this subject. It took place on the Harry King ranch in the foothills of Mount Blanca near Alamosa, Colorado. Because of the scarcity of water in this area, Mrs. Berle Lewis and Leona Wellington became concerned at not seeing their pet palomino saddle horse for two days. Together with the ranch foreman they began to search the surrounding area. They shortly came upon the body of a dead horse which was identified by them as Snippy, their missing horse. In this area, it was not uncommon to find a dead horse. What was strange was the state of the carcass; all flesh was missing from the neck and it appeared someone had done an operation on it as fine knife cuts could be seen on the neck, but were so delicate that a scalpel-type instrument would have had to have been used. The rest of the body was totally intact and unmarked except for two bullet holes in the right flank, showing signs of infection. On a tree nearby, some horse flesh with hair attached to it was found by Mrs. Lewis. On squeezing it, a green, acid-like fluid came out and burned her hands, causing them to run red. This condition was easily corrected when she washed her hands in warm water. The exposed bones of Snippy were a bright pink and the whole area about his carcass had an incense or medicinal odour about it. There was no trace of blood but there was a black, tar-like substance underneath the skull and neckbones. There were no tracks around the animal and on examination of the surrounding area, an indentation about thirty feet in diameter was found about one hundred yards away. At the same location, fifteen odd indentations were found in the ground that were thought to be circular exhaust marks. These holes were two inches wide and four inches deep. On returning to the ranch and telling their story, Mrs. King's eighty-seven year old mother mentioned she had seen a large unknown object passing over the ranch house the evening before. The local police, hesitant in coming to the remote King ranch, told them by telephone that the horse had probably been killed by lightning.

The Denver papers carried Snippy's story because in preceding weeks there had been many reports of sightings in the Denver area, the most prominent of which was that of Superior Court Judge Charles Bennett and his family, who observed 'three bright orange-red circles' in the night sky. The response to Snippy's story in Denver and the surrounding area was great. Many calls were received from people giving vivid descriptions of how their own livestock and pets had been attacked by flying saucers. Eventually a Denver pathologist, who requested his name be withheld, examined Snippy. He verified the external evidence on the carcass plus the fact that body fluids, internal organs and brain matter had been removed, leaving no marks to show how this had been done. No radio-activity was found on or near the animal but the nearby area of the circular indentations in the grass and in the fifteen holes was found to be highly radioactive.

Deciding to stay overnight, the pathologist, while sitting on the front porch of the King ranch with the family present, witnessed two flying objects pass overhead. During the following months, many sightings were reported in this area.

Business began to boom in Alamosa because of the added tourist attraction of Snippy. Businessmen set out to raise \$1,000 to install a plaque marking the spot where Snippy was found dead. Money was also collected to erect a statue of Snippy in Alamosa Park, in tribute to the unique fame and fortune that suddenly came to the community. Snippy was becoming the most famous horse in the world since Man O' War.

Much speculation has taken place in trying to explain the strange circumstances of Snippy's death, ranging from coyotes to baths of acid to explain the stripping of the head and neck. But all to no one's satisfaction and so the case remains unexplained. No one knows the answer to the riddle of how he died or the odd condition he was found in death.

NEXT WEEK: WHAT I BELIEVE ABOUT UFO's

EDITORIALY

Motorcycles

unstable vehicles

Last weekend a young Metropolitan police officer went for a motorcycle ride on the Brady Lake Road and was killed.

His death emphasizes the very great danger inherent in all motorcycle operation.

Invariably the driver of a motorcycle involved in an accident is either killed or seriously injured.

A motorcycle is an inherently unstable vehicle and can, and does go out of control under circumstances which would have little or no effect on a car. Coupled with this, the motorcycle offers its rider (victim?) absolutely no protection.

In the Brady Lake accident the motorcycle apparently went out of control on a curve, threw the rider through the air over an embankment, then itself flipped through the air to land on him.

Much has been made of the fact that the victim was not wearing the helmet required by law. Certainly, as an experienced traffic officer, he of all persons should have done so. But it seems unlikely that this would have made any difference whatever in the outcome of this accident.

What is really at fault is the motorcycle. Last weekend's accident created a widow and three orphans...the motorcycle has no place on our system of highways and roads under any circumstances.

DOJARS & GOOD SENSE

by WILLIAM J. MARTIN
Special Consultant to
Avco Financial Services

In my last column I offered some tips on saving electricity in your kitchen. Today, some advice on keeping your house cool while still saving energy.

If you have a refrigeration unit — house model or room unit — you have a major user of electricity. A complete air conditioning system will be your number one user of energy this summer, so when it comes to saving power, this is the place to start.

Close out the hot sun by shutting drapes. This will lower your inside temperature and ease the burden on your cooling unit. Shade screens, reflective window coatings and awnings as well as shrubbery or trees outside your walls will also help.

Insulation is important. A minimum of six inches of attic insulation will reduce heat transfer through the ceiling by 80%.

Keep doors and windows closed when your refrigeration is on and keep the cooler air inside by weather stripping exterior doors and windows. Keep your fireplace damper shut too.

Proper maintenance of cooling equipment is vital to good operation. Vacuum filters regularly and change after about three cleanings. Above all, don't over-cool. A setting of 78 degrees has been recommended this summer to keep cool and still save electricity.

Readers' questions are welcome and should be sent to Box 5875, London, Ontario.

LETTERS TO THE EDITOR

AN OPEN LETTER TO THE EDITOR OF THE 'MINDEN PROGRESS' MINDEN, ONTARIO.

Dear Sir:
Last month, my-in every respect legally parked car-standing before Stedmans, on Main Street, Minden, was hit by a parallel to my car 'double parked' car. After having done my shopping I returned to my car, opened the car door and started to take my seat. In the very moment the driver of the double parked car started its engine and pushed ahead, its rear fender caught my left side car door, dragged it, bent it, twisted it. Damage: about \$160.

With my accident I fully appreciate the wisdom and cautiousness of the Municipality of Minden to have passed a bylaw, legislated already since August 1973, which prohibits double parking on Minden's main street. The accident serves as a typical example not only concerning traffic slowdowns but for the necessity of such a bylaw, and fully justifies it. It could have been much worse!

Sincerely yours,
Dr. George Berta, Ph.D.,
Biochemist, Retired,
Minden.

AND HE'LL DO A BETTER JOB IN THE LONG RUN

The Editor,
Minden Progress,
Minden, Ont.

Dear Sir:

This here's jest a short note to thank my Campaign Manager, Grace Simmons and my backers down to Howland Jct. (both of them!) for ahelpin' me to carry the fight into Federal Territory. I could see we was up against too much atryin' to shove this here Bill Scott feller so, acting for me, my campaign manager turned in the towel and we throwed our power behind the 'Scott' machine. She done this last Saturday night at the Legion Hall during the banquet for somethin' or tother. We wasn't able to both go as our campaign funds was down to \$1.67. All we got left is 31¢ in the kitty. I'm still aholdin' onto my riding in Howland Jct. even though we couldn't get 'er recognized officially. My project 'SLUM', Super Living Under Me, is still good. I intend to act like that Lewis feller and kinda hold the balance of power over Scott for the comin' term. That feller Stevens what writes for the Globe and Mail sez in an article in the July 3rd issue 'Bill Scott, the Tory who doubled the vote on his Liberal opponent in 1972, is in trouble in Victoria-Haliburton.' Now, this here fellow Stevens didn't mention me by name, but I know dern well it were me he were areferrin' to. That interview you had on the CBC with Jim Robertson shore told everybody where I stood in the Election -- it were darn good listenin' to. That's done 'er for this election, but when I was atalkin' to Glen Hodgson at the unveiling of the plaque a couple of Sundays ago at St. Paul's Church, I told him

Local OFY Grants

Four groups in the Highlands area have received grants totalling \$14,468 from the Federal Government's Opportunities for Youth program. A Minden group headed by Marg Ackerblade received the largest grant - \$5,350. Her group will attempt to supply the public with a catalogue of the variety of recreational and educational experiences available in Anson, Hindon and Longford. Another project called

Living Archives of the Highlands headed by Joy Johnson of Minden received \$4,950, to produce an anthology of folklore and memoirs about past lifestyles. A Norland project, Cottager Pollution Control and Education, headed by James LeCraw received \$1,800, while a group headed by Catherine MacBrian received \$2,288 to establish a recreation centre in Stanhope Township.

Study growth limits

"HOW ON EARTH?" The 43rd annual Couchiching Conference, sponsored by the Canadian Institute on Public Affairs, is being held Tues. Aug. 6 to Sat. Aug. 10, 1974, at Geneva Park Ont. This year's conference, called HOW ON EARTH?, will explore the "limits to growth" theme as it relates to Canada in terms of food, population and non-renewable

resources. In order to treat competently the moral political and economic implications of Canada's position as one of the world's richest countries, speakers have been selected from among Canadians involved both nationally and internationally with the question of survival. The conference opens Tues. evening, Aug. 6th.

then -- 'If I can't wrassle this Scott feller then, come a Provincial Election, I'm a comin' after yer scalp' -- that shore sobered him up a mite. So, thanks again fer all yer help and remember my slogan 'WE NEED ME!' is still good and we're agoin' to be 'watchdogging' them fellers from now on.

Yours,
Fenwick Finch.

CENTENNIAL CORNER

Thomas Chandler Haliburton

The Provisional County of Haliburton is named after Judge Thomas Chandler Haliburton who in 1861 became the first chairman of the Canadian Land and Emigration Company, concerned with the management and development of lands and populating part of the area with emigrants. Thomas Chandler Haliburton was born in 1796 in Nova Scotia where he served as Judge of the Supreme Court and was the first Canadian author to gain reputation outside his own country. He was an historian and a humorist, possibly best known for more than fifty editions of works on Sam Slick, whose sayings are still in common use - such as 'An ounce of prevention is worth a pound of cure', 'Facts are stranger than fiction', and 'Circumstances alter cases'.

The Haliburton family is commemorated by a Museum at Windsor, Nova Scotia, which is open to visitors with free admission from May 15th to October 15th. After the death of Judge Haliburton in 1865 his widow placed an organ in St. George's Anglican Church in the village of Haliburton in his memory.

COMING CENTENNIAL EVENTS:

Saturday, July 13: Centennial Children's Theatre 'Modern Fables' at Minden Community Centre - 2 p.m. with tickets available at libraries.

Wednesday, July 17: Centennial Garden Party by U.C.W. Minden on United Church Lawn, Minden.

HALL'S LAKE NEWS

by Doreen Stinson

Mr. Melvin White from Lindsay, who has a Summer Home on Twelve Mile Lake is back for his 25th Summer. He always drops in early for a cup of tea and a chat whenever he is in this vicinity and we look forward to seeing this Senior Citizen each year. His home in Lindsay is next to the late Hon. Leslie Frost.

The Hyland Crest Gay Nineties Party was a success despite the big black cloud and the deluge of rain which forced everyone to run for shelter. Fortunately, the big Auditorium, the Lounge, the Dining Room, the Craft Room and just every area of the Home was filled with happy people and the Programme went on stage instead of on the lovely lawn at the rear of the Home. The Guests were given the opportunity of seeing both the outside and the inside of Hyland Crest and many complimentary remarks were heard.

Mr. and Mrs. Robert Cairns, their daughters Jane and Kathryn and son Robbie are at their cottage on Peach Lake. Mr. Cairns bought his cottage site from the Crown 21 years ago, and Mrs. Cairns has been coming up for 17 years.

Mr. and Mrs. Peter Theisen and son Elmer enjoy as much time as they can at Val Halla on Welsh Lake.

Congratulations to Mr. and Mrs. Grant Montgomery upon the occasion of their 25th Wedding Anniversary! On Saturday approximately 50 relatives and friends arrived from various points to help them celebrate and the weather allowed them to enjoy a lawn and beach party. Their daughter Cathy and sons Don, Doug, Tom and Bob, all helped to make it a success and a surprise for their parents.

Once again our Anglican Parish of Minden, which includes Boshkung and Maple Lake is losing its Incumbent, the Rev. Andrew Hutchison who will be leaving shortly to take up a new charge in Mississauga. Andrew will be sorely missed but we wish him happiness in his new subject. The road from below Carnarvon to Minden is the subject of much talk this Summer and the dust and pot holes leave much to be desired. Everyone thought this stretch of road would be completed this Spring and it is somewhat of a disappointment to find it as it is.

We see Highway men picking up bottles and cans and papers and cutting down long grass on their property elsewhere but there are areas around Hall's Lake which never get a look on Highway 33 in public view. We try to encourage customers to put their papers and garbage where it belongs in a container supplied, but resent having to cut the grass and clean up the property beyond our grounds each Summer. It leaves much to be desired in an approach to a place of business when the Summer comes and goes without a good clean-up job.

We notice Aunt Sarah's Lookout is still on the new Centennial place mats. Dozens of people come in and ask where it is and of course we can tell them where it used to be, but the Chamber of Commerce has been asked to either make it a Lookout point or take it off its list of places to see. Right now it is just an overgrown field with so many tall trees between it and the view that there is no sense to the idea of a Lookout, or a nice place to stop for a picnic, as it used to be. We tell people about the Hawk River but so often they are heading North and won't leave the highway.

The old fashioned dresses and suits at the Gay Nineties party were fun to see, as was the old ice-cream maker and Candy sticks. We thought the banners and decorations were attractive and the choir and Pipe Band looked elegant marching across the green lawns with their gay tartans. Bill Scott in his attractive grey suit with tails and top hat, accompanied by his pretty wife was his usual genial self. Grace and Lorne Coburn who also run the Tuck Shop at the Home were doing a great job convening the Party and looked smart in their period costumes. Professor Rothwell from University of Guelph has been spending the odd week at his cottage here at the Lake, along with his daughters and their families. He will be leaving shortly for England to visit relatives.

Rosemary Stinson has arrived safely in Sydney, Australia having flown there from Auckland, New Zealand on the 21st of June. She reports the Winter there is cool and damp and the houses not adequately heated.

The Stanhope Firemen's Ball held last Saturday night at Carnarvon, at Medley's, was a big success. Around 200 people attended and a delicious Buffet supper was served later in the evening. All those who contributed prizes and food etc. are certainly deserving of a big 'thank you' and those who worked so hard to make it a success.

Mr. and Mrs. Stephen Fletcher are holidaying at 'Maple dene', their son Phillip and his school chums used the cottage during the school holiday break.

Mrs. Oliver had as a luncheon guest one day last week a newcomer namely, Mrs. Dawson, and will be a guest on Monday at Mrs. Dawson's home.

The Firemen were called out to a fire this Sunday afternoon when a tree fell over a hydro wire on Little Boshkung. The volunteers respond quickly.

School schedules set for next year

Examinations in the secondary school make it impossible for both the elementary and secondary schools to have identical school years. Efforts have been made in the schedule to make the school year common as much as possible for the two panels.

The school year will

consist of three terms: the Fall Term will commence on the day following Labour Day and end on the 20th day of December. The second, or Winter Term, will commence on the sixth day of January and end on the 20th day of March. The third, or Spring Term, will commence on the 1st day of April and

end on the 18th day of June for secondary school students and the 20th day of June for elementary school students. Teachers will attend school on each of the 194 days - consequently, teachers without presiding duties during examinations will be present in the school. Students will attend

school on days named Instructional Day and will not attend school on days named Holiday, Professional Development Day, Curriculum Day, Marking Day, Reporting Day, and Programming Day.

The school calendar will be as follows:

Date	Elementary School	Secondary School
Sept. 3	School will commence and continue for the full day	Instructional Day
Sept. 16	Curriculum Day	Thanksgiving Day
Oct. 14	Thanksgiving Day	Remembrance Day
Nov. 11	Remembrance Day	Professional Development Day
Nov. 12	Professional Development Day	(inclusive) Christmas Holiday
Dec 21-Jan 3	(inclusive) Christmas Holiday	Instructional Days
Week Jan 20	Instructional Days	Curriculum Day
Jan 22	Curriculum Day	(inclusive) March Break
Mar 21-27	(inclusive) March Break	Good Friday
Mar 28	Good Friday	Easter Monday
Mar 31	Easter Monday	Curriculum Day
Apr. 1	Curriculum Day	Victoria Day
May 19	Victoria Day	Instructional Day
June 12	Instructional Day	Examinations
Week June 16	Examinations	Instructional Day
June 18	Instructional Day	Last student school day
June 20	Last student school day	Teacher reporting and programming days
June 19-27	Teacher reporting and programming days.	
June 23-27

Epic Poem

Mavis Noice of R.R. 1 Minden is shown with a bound copy of her epic poem *The Algonquin Legend* recently published by the Minden Womens' Institute as their Centennial Project. 'Haliburton has no legend, no romance, so I thought that I would write one for the county', said Mrs. Noice who first came to the Highlands in 1916 from Winnipeg.

Edward Bear GRADUATE

by Dr. Faust

George Harrison has Krishna, Eric Clapton has Jesus, John Lennon has himself, and Edward Bear...? Scientology. And Larry Evox Edward Bear's lead singer, says this 20th Century religion helps him to make good music.

LARRY EVOX

The Progress talked with Bob Kendall, organist and only other member of the Bear, in the band's bus outside Minden arena last Friday when unfortunately only 200 persons turned out to hear this great Canadian group.

The Bear with back-up group New Potatoes, have hit big times since their gold single 'Last Song'.

'We're waiting for another hit', said Bob as he sipped a cool beer. 'That way we get back into the States where the money is'. And Bob knows -- Edward Bear made \$4-5,000 a night at gigs such as Disneyland in California. For their immediate future

Mary Lou Wunker of Miners Bay graduated Magna Cum Laude last month from Nyack College in Nyack, New York, receiving her Bachelor of Science degree in Elementary Education.

During her four years at Nyack, Mary Lou was a member of the Brooklyn Gospel Team, a volunteer student group of some sixty persons. She worked with children in the tenement section of Brooklyn each weekend, and was Publications Director of the group for two years. This past year she served as treasurer for the Team, whose activities also include Coffee House and Youth Club Ministries.

Another interest was that of working with deaf/retarded children, and Mary Lou spent part of her Student Teaching in the School for the Deaf in White Plains, N.Y.. Mary Lou attended Lutterworth Central School and Haliburton Highlands Secondary School. Present plans for the coming year are to take some courses at Trent University in Peterborough before starting full-time teaching.

Fishermen face heavy fines

BY ROSS BEAGAN
INFORMATION OFFICER

Several times a year, the Ministry of Natural Resources in co-operation with the Ontario Provincial Police conduct spot-checks of fishermen in Ontario. Over the years, they have discovered that roughly one fisherman in ten commits an offence under The Game and Fish Act. Many charges are laid for possession of "out of season" fish while a shocking number of other charges relate to exceeding allowable catch limits. In the past year, one charge at least has been laid where fishermen have exceeded the legal limit by 200 or more fish. In order to discourage these offences, Conservation Officers of the Ministry of Natural Resources set up road-blocks to thoroughly inspect each vehicle carrying fishermen. Residents of Ontario are issued summonses for infractions, while

out-of-provinces offenders are required to post a cash bond to cover estimated fines. Fines can range from \$50.00 upwards plus \$5.00 to \$10.00 for fish in excess of the legal limits. Fines totalling in excess of \$1,000 are not uncommon, and fishing gear can also be confiscated.

One of the real problems encountered on spot-checks is the discovery of fish already cleaned, filleted, or frozen such as to render their number of species unidentifiable. Since this is also an offense to transport such fish, fishermen are advised to either transport their fish intact or to leave a portion of scale on each fillet.

Spot checks to date have been undertaken in the Parry Sound and Bracebridge Districts, while similar ones are planned for the Districts of Bancroft, Minden, Pembroke and Algonquin Park.

Cub news

On Friday, June 28 the cubs and leaders had their closing party after a most eventful season of cub activities. Within June alone there were the following three important events: June 2nd-a parade from the municipal office to the fair grounds to attend an interdenominational church service; June 8-a cuboree in Lindsay; and June 14-a parade to the municipal council to receive badges for their plant-a-thon.

The boys had a most enjoyable day at their cuboree. Following a parade through downtown Lindsay the various packs entered into competitive events in which Minden pack did rather well. On that occasion the cub leaders were assisted by Wally Brown, Father Hutchison and Jim Hatkowsky. At the municipal Council Mr. Bill Scott, Mr. Reg Booth and Mr. Murray Fearrey complimented the boys very highly for their industrious efforts in May when they planted hundreds of trees at the Recreation Park. As a special recognition for their Centennial plant-a-thon, Mr. Scott and Mr. Fearrey presented the cubs along with their leaders and some of the parents who assisted on that day with 'Trees for Canada' badges. A number of parents and friends were present at the Council for this special event.

Although the cubs will not have regular meetings during July and August, they will be called upon to take part in the Carnival and Fair parades in Minden this summer.

Registrations will begin in September, at which time the regular cubs will continue and new members will join the cub and scout movement. Having completed the courses offered for the cub leaders, the leaders are looking forward to this Fall when they will have an opportunity to put some of their new ideas into practice. No doubt, Don Blakey, Mike Jegge and Joan Pearson are to be highly commended for the excellent leadership which they are providing for the youth of our area.

TODAY'S CHILD

BY HELEN ALLEN

THE TORONTO SUN SYNDICATE

Eddie, 14, is short, sturdy and healthy, Anglo-Saxon in descent. He has brown eyes, dark hair and fair, clear skin. He wears glasses for short-sightedness. Eddie is an intelligent, outgoing lad with a nice sense of humor. He is going into Grade eight.

Though high average in intelligence he has some learning difficulties and at present lacks a well developed sense of responsibility in regard to school work. Verbally he is above average and is a delightful, vivacious conversationalist.

Eddie enjoys attention — sometimes seeking it in ways which can be irritating to adults. At other times he will be conscientious and helpful, obviously relishing the approval generated by this kind of behavior.

Fishing is Eddie's hobby. He belongs to the YMCA and reads a great deal on a variety of subjects.

Eddie needs a home where he will be the youngest family member and where the parents are warm, stimulating and at the same time firm. For such parents he will be a rewarding son.

To inquire about adopting Eddie, please write to Today's Child, Ministry of Community and Social Services, Box 888, Station K, Toronto M4P 2H2. For further general information, please contact your local Children's Aid Society.

SINGER RONNIE PROPHET

Right from when he was a young farm boy from the Ottawa Valley who had a talent for singing and guitar playing, Ronnie Prophet has strived to be one of the world's best entertainers. He has successfully combined both country and pop music fields, not to mention comedy talent to the point where he often performs along with Danny Thomas in the biggest night clubs in Las Vegas. His variety, comedy and music series, The Ronnie Prophet Show is popular on CBC television Friday nights at 9 p.m.

TODAY'S HEALTH

You can guard against vacation health hazards

by David Woods

Vacation. A time to relax, forget your cares, recharge the batteries — and all that.

But no matter how good the season of tans and tents, barbecues and bicycles may be for your health and well-being, it also brings its own health hazards.

One of these, of course, is travelling itself. Have your car thoroughly checked before setting off; wear seatbelts; try to keep children occupied; share the driving, if possible; let passengers change seats occasionally; stop at regular intervals to stretch your legs; don't drive when you're tired.

Always carry your OHIP card with you when you travel, and note the location of medical services wherever you stay. If you're vacationing out of the country, make sure you've fulfilled all vaccination requirements for the place you're going to. If you're driving — at home or abroad — carry a basic first aid kit.

If you're boating, always wear a lifejacket — and listen to the weather forecast before you set sail; if you're swimming, always do it in company.

Make sure the mushrooms you pick really are mushrooms — and try to recognize potentially dangerous plants and berries.

Perhaps the most common of these is poison ivy, a low-growing plant with three leaflets on each stalk and often with greenish-white berries. The skin area that has been in contact with poison ivy should be washed with strong household soap, and treated with calamine lotion.

Bees, wasps, hornets, mosquitoes and blackflies may also decide to

spend time with you on vacation — and there's not too much you can do about these uninvited guests.

As a preventive measure, stay away from insects' nests, and warn children not to aggravate bees, wasps and hornets in particular. Insect stings can produce serious effects, particularly with persons sensitive to their venom.

Most animals, some insects, and certain reptiles will attack if they feel threatened. This is true of the only poisonous snake in Ontario — the small massasauga rattler, which inhabits a 20-mile area along the shorelines of Georgian Bay, Lake Huron, and possibly Lake Erie. If you are in the area, be aware of the location of the nearest antivenin depot.

Since rabies continues to exist in the wildlife of Ontario, don't approach; observe from a distance.

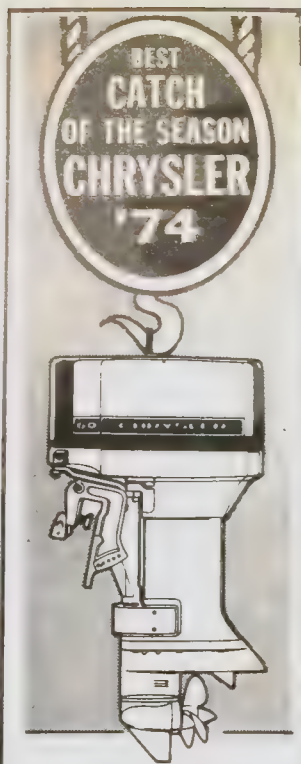

Foxes, skunks, bats and racoons are affected with rabies more frequently than other animals, but any animal exhibiting peculiar behavior should be given wide berth.

Pet dogs and cats taken on vacation should be vaccinated against rabies at least 30 days before the vacation period.

In the event of attack by a suspected rabid animal, see a physician immediately. By law, all rabies cases or suspected cases must be reported to the local Medical Officer of Health.

Hazards from fish hooks and other possibly tetanus-inducing objects, such as nails or strong thorns, are of course greater in the vacation season.

And finally, there's the sun itself. Don't try to get that tan all on the first day — do it gradually.

THEN & NOW

BY WALTER NOICE

Being a comparison of things social, economical and political in the Minden area in the 1880's and 1890's with present-day life in our community.

Much of the interesting information which will be published in this column comes from the late Dr. Charles E. Curry's Scrap Book which the late Miss Isabel Curry, daughter of Dr. Curry, gave me in 1954.

Our late Prime Minister of Ontario, The Honorable Leslie M. Frost, found this Scrap Book so interesting that much of its contents were copied for Ontario Archive purposes. I have a letter from the late Prime Minister dated Toronto Ontario May 2, 1962 which reads as follows:

Dear Walter—

Sometime back you were kind enough to loan me Dr. Curry's Scrap Book which I found very interesting. I am returning the same to you under separate cover by registered mail. I have had copies made for Archives purposes.

It is very interesting that this old Scrap-book should have survived all these years.

Perhaps you could tell me how this happened.

Sincerely yours,

Leslie M. Frost.

Another interesting and informative book in my possession is an old Day Book of my father's, who owned a general store in Minden from the early 1880's to 1900.

This Day Book which registered all 'charge' transactions is dated from Monday Sept. 18, 1893 to Jan 30, 1895 and has 'charged' purchases as low as .03 cents.

As Monday, July 8 was our election day for the electing of members of Parliament for the Federal House, the reader might find it interesting to compare the election of 1891 with the present one.

The summary of the 1891 general election was:

	Liberals	Conservatives
Ontario	45	46
Quebec	37	26
Nova Scotia		
	5	16
New Brunswick	4	12
P.E. Island	4	2
Manitoba	1	4
N.W. Territories	0	4
B.C.	0	6

Totals 96 116

NOTE: North West Territories included Saskatchewan and Alberta at that time.

The results of the general elections in Victoria North, of which Minden was a part, were as follows from 1867 to 1891:

Year	Member	Majority
1867	Morrison - Lib.	284
1872	Staples - P.C.	88
1874	McLennan - Lib.	4
1875	Cameron - P.C.	56
1878	" "	176
1882	" "	290
1887	Barron - Lib.	301
1891	" "	264

SENIOR SOFTBALL

CASA Convenors Report

Local leagues and associations are now well into their playing schedules, as a means of ultimately declaring representative teams to contest CHAMPIONSHIP PLAY. Mid August will see the keen rivalry of league competition separating the 'wheat from the chaff'.

Special Dates and Items:

May I draw the following important items to your attention:

No player may be signed to a C.A.S.A. certificate after July 15. The C.A.S.A. and O.A.S.A. copies of all certificates must be forwarded to the O.A.S.A. Secretary by July 15th.

All teams must be ready to face the O.A.S.A. play-off barrier by:

Senior A - September 1
Senior B - August 20
All Intermediate - August 14
Junior to Squirt - August 7

The above dates are guidelines and are subject to slight alterations in order to meet O.A.S.A. commitments. The team portion of the C.A.S.A. certificate must be produced at O.A.S.A. GAMES. Proof of birthdate for all players on Junior, Juvenile, Midget, Bantam, Pee-wee and Squirt Series must be produced on dem and prior to play-off games. The 'Residence Rule' must be enforced locally. All-Star teams are not acceptable for O.A.S.A. competition except by special Executive approval; or in accordance with O.A.S.A. constitution.

SENIOR SOFTBALL STANDINGS

TEAMS	W	L	T	TP
1. Dominion Hotel	12	1	1	25
2. W. Guilford	11	3	1	23
3. Gull River	9	6	0	18
4. Haliburton	7	6	0	14
5. Vasey's Midgets	5	8	0	10

Local Softball

In an exhibition Senior Softball game played at the Minden Fairgrounds on Monday evening, Gull River Buildalleged Fenelon Falls' Palmer Electric 6-3.

Bob Austin led the Builders attack with a home run and a triple. Bob also drove in two runs.

Builders' pitcher, Rick Hartwick continued his fine pitching, as he tossed a three-hitter at Fenelon. Rick also had twelve strikeouts and walked three.

Fenelon's George Sheehey was the losing pitcher, giving up six runs in thirteen hits, walked one and struck out three. In local Senior league action this week, West Guilford Redmen handed Dominion Hotel Shufflers their first loss of the season, 4-0, on Wednesday evening here in Minden. Craig Stamp came up with an outstanding pitching performance for the Redmen. He gave up a paltry three scratch singles, while striking out eleven and walking three.

The Redmen got all the runs they needed in the second inning on three straight hits by Craig, Floyd Henry and Paul Sisson, plus two Shuffler errors. The Redmen added an insurance run in the fifth, when Bob Woodcock walked and scored on a pair of singles by Wade Stamp and George Nichols.

The Shufflers Jack Snell took the loss, allowing nine hits, two walks and struck out three. Jack also picked up two of the three Shuffler hits off Craig Stamp. Dave Trepanier had the other.

On Sunday evening in West Guilford the Redmen won their fourth in a row, and pulled to within two points of first place Dominion Hotel. Their latest victims being Gull River Buildall 7-3.

Once again the Builders were defeated via the home run pitch. This night Rick Hartwick tossed four such pitches and the Redmen pounced on them. George Nichols had two homers, his eighth and ninth of the season. Craig Stamp notched his tenth of the year and Paul Sisson smashed his fourth. The West Guilford squad now has a league leading total of thirty homers in fifteen games.

Wade Stamp picked up the victory for Redmen, his fourth of the year, while Rick Hartwick suffered his third loss for Gull River. Rick picked up his first homer of the year for Builders in a losing cause.

A new league got started in the area on Sunday evening, the Haliburton County Ladies League. I don't have too much information on this league as yet, however, their are four teams involved, Minden, Haliburton, Carnarvon and Gooderham. I will have results in next weeks paper of all games played and their will also be a schedule of the Ladies games.

Minden artists to guest at Bobcaygeon

Summer Theatre

Two young Minden entertainers, Wendy Billings and Leroy Nesbitt will be guest performers at the 'Kawartha Lakes-Ontario Open' Fiddle and Step Dance Contests to be held in Bobcaygeon's Community Centre Saturday July 27th, 1974.

This is the 5th consecutive year for this annual 'Ontario Open' Fiddle Contest and by popular demand the Contest Committee has added Step Dancing to their program. They didn't have to be coaxed too long or to hard because everyone knows that Fiddling and Dancing go 'hand and foot' together.

As a result the 'Ontario Open' Step Dance Contest has been born. Wendy and Leroy are the children of well-known area residents, Mr. and Mrs. Sinclair Nesbitt of Minden. Neither are strangers to a stage and have performed for many community and area programs.

Bobcaygeon is both proud and pleased to welcome both Wendy and Leroy and to present them to their Contest's patrons. They'll be singing both by themselves, and together - either way their delightful songs will be a treat you won't want to miss. See You There!

With Ontario's two great Festivals of Theatre, Stratford and Shaw, underway, the Province's third largest summer theatrical venture, the Kawartha Summer Theatre is in full preparation for its opening on July 8th. Entering its ninth season, the Kawartha Summer Theatre will present eight plays between July 8th and August 31st at the seven hundred seat Academy Theatre in Lindsay, with Monday night previews in Haliburton Village.

The Kawartha Summer Theatre opens on July 8th with 'No Sex Please we're British' In the following weeks the plays are 'The Hand That Cradles the Rock', 'Thark', 'Arsenic and Old Lace', 'The Sleeping Bag', 'The Secret of the Spyglass' and 'The Apple Tree'.

ABOUT THE TOWN

with Jeanne Sears

Ruby and Art Windsor are happy on the arrival of their first grandchild, baby daughter of Mr. and Mrs. George Savage.

On June 21 Mrs. Jerry Durant (Pearl) of North Water St. had the unusual thrill of going up at 8 am with Eddie Luther in the CHFI helicopter. She said she was a bit timid at first as you look right down on the landscape enclosed in a clear plastic enclosure. The trip was arranged by her son Bob who is news announcer for both CHFI-FM and CFTR-AM. The trip to Toronto was to attend the wedding of Miss Patricia Mitchell, daughter of Mr. and Mrs. Kenneth M. Mitchell of Islington, Ontario, long time friends of the Durants when they resided in the Kingsway. Mr. Durant had the pleasant task of proposing the toast to the bride who is now Mrs. Phillip R. Patterson. Got the name of the W.I. Booklet wrong, as it is entitled 'The Algonquin Legend', sorry about that. Some places in town where you may get this are Candlewood, insurance offices, municipal office, county clerk's office, Chamber of Commerce and the local library.

Sincere sympathy to the families and friends of the late Mrs. A.H. Livsey and Mrs. Harry J. Cowen (Lennie) whose funerals were since last week.

This week the Live Theatre began at Haliburton High School Auditorium, with comedies again being produced; next Monday night will be 'The Hand that Cradles the Rock'. Curtain time is 8.30 and sponsored by the Haliburton Guild of Fine Arts and showing other week nights at Lindsay.

Christine Lazier plans to attend the 50th Wedding Anniversary on July 11th at Gray Rock, Port Carling, of Mr. and Mrs. Seymour Thomson (her brother) at which guests will enjoy a Buffet Supper.

Guests with Mr. and Mrs. Ern Voycey at their cottage at Redstone on Saturday included Mr. and Mrs. Phil Robinson of Minden and Mr. and Mrs. Roy Rogers of Orillia and Mrs. Gifford Hollinshead of Toronto.

Hint of the week - Lemon-lime freshie frozen into ice cubes makes a nice addition to iced tea and other beverages.

For youngsters who have 'nothing to do' come to Archie Stouffer School - there is Supervised Playground Activities here, every day, mornings and afternoons through Aug. 23.

Kirk Hewitt and Paul Fleming qualified for Ontario Championships later this summer in Ottawa. Kirk had 2nd place in Triple Jump and 400 metre hurdles and third in 110 metre hurdles, Paul with a third in triple jump. We will be interested to see how they come out against other athletes.

Last Sunday there was a Family Gathering at the Lyman Cox's home, with the immediate family present, the occasion being their Anniversary and also Basil's birthday. Next Saturday there will be a Bake Sale at 10 by the Minor Hockey and Hockey mothers are asked to contribute. There will also be a tag day. If weather is unfavourable, the sale will be inside at Stedmans.

Mr. and Mrs. James Dean are happy on the Christening of their son Gregory Russel James by Rev. A. Hutchison last Sunday, and thank him for the lovely Church Service that morning.

The Orange Lodges of the County will be going to Orange Lodge Parade at Bracebridge this Saturday.

All their friends send good wishes to Garnet Stevenson at Ross Memorial and Lydia Coulter who is confined to bed at home.

Charles Lazier of Toronto is spending a few days with his mother Christine Lazier.

Mr. and Mrs. Bill Negus of Lindsay visited with Mr. and Mrs. Phil Robinson on Sunday.

Weekend guests with Mr. and Mrs. M. Sears included Muriel Ewing, Chris and Scott and Ron Joyce of Toronto and Mr. and Mrs. Paul Warburton and Jeremy of Richmond Hill. Chris and Scott are spending several weeks' holidays with their grandparents.

Have you noticed some people leave their bags of garbage beside the barrels at Parks in the area? There are Garbage Dumps in our area convenient to everyone and open long hours; why not drop your litter where it belongs. Also the parks sometimes have broken bottles left behind, the barrels provided there are for everyone to use. If you enjoy a stop at one of these, why not leave it tidy as you found it. What would it look like if no one cared and litter was not collected.

If you are in this village for a short time--give Mom a chance to shop at ease; there is an excellent playground with swings, a slide and other facilities and benches where adults may relax, or sit in the shade on the river bank by the docks, opposite the Post Office.

Really lovely weather, humid at times but good holiday weather.

Cheerio until next week.

RIB OR SHOULDER

PORK CHOPS

Everyone has a favorite . . . usually centre cut or loin. But makes it makes sense (and cents) to select equally flavorful but lower priced rib or shoulder chops for . . .

Pork Chops with Hawaiian Rice

- 4 pork chops, ½-inch thick, trimmed salt and pepper
- 2 tablespoons vegetable oil
- ¾ cup chopped green pepper
- 1 cup uncooked regular rice
- 2 cans (7½ oz. each) tomato sauce with onions
- 1 can (10 oz.) pineapple tidbits, undrained
- 1 cup water
- 1 tablespoon vinegar
- 1 teaspoon salt

Sprinkle chops with salt and pepper; in skillet brown well on both sides in oil over medium heat; drain excess fat. Add remaining ingredients and stir; bring to boil. Simmer, covered, 45 minutes or until rice is tender. Makes 4 servings.

Finch sweeps riding ...wins, too!

A jubilant Fenwick Finch strutted victoriously through his 2-1/2 acre riding of Howland Jct. Monday night where voters gave him and his Separate Independent Candidate (SIC) party a 99 per cent majority in his bid for federal office, then demanded a recount 'cause I've always had a feel for nice round figures'.

Only a smudge mark from the paw of one of the riding's two voting dogs stood between Finch and a 100 per cent majority as returning officers tallied up the votes by the riding's 14-person, two-dog electorate.

In a brief victory speech at his campaign headquarters in the beverage room of the Howland Jct. Hotel Mr. Finch promised that all segments of the country would be treated alike. 'I made a lot of election promises and they'll be implemented for everyone whether they like it or not', thundered Finch.

Finch, whose campaign slogan was 'WE NEED ME' included in his election platform remedies for:

Inflation... 'a price freeze on essentials such as draft beer, pickled eggs, pickled weiners and pepperoni'; Unemployment... 'legalize moonshinin' and license streakers, plus a no-labor union for the unemployed'; Housing and mortgaging... 'a new, low-cost federal housing and mortgage financing program entitled Super Living Under Me (SLUM); locally... 'I'll close part of Highway 35 and turn it into the Minden Mall and we'll get a government grant to turn the Howland Jct. dump into a zoo'.

Commented a gleeful Mrs. Grace Simmons, Mr. Finch's Campaign Manager: 'the results of the election would seem to vindicate Finch's platform, or, could it have been a protest vote?'

The Expropriations Act

NOTICE OF APPLICATION

FOR APPROVAL TO

EXPROPRIATE LAND

IN THE MATTER of an application by the Minister of Transportation and Communications for approval to expropriate in the Township of Anson, Hindon and Minden, in the Provisional County of Haliburton, in the Province of Ontario for the purpose of reconstructing and widening King's Highway 35 together with related intersection improvements and grade improvements to King's Highway 121 at its north intersection with King's Highway 35.

NOTICE IS HEREBY GIVEN that application has been made for approval to expropriate the land described in the schedule hereto.

Any owner of lands in respect of which notice is given who desires an inquiry into whether the taking of such land is fair, sound and reasonably necessary in the achievement of the objectives of the expropriating authority shall so notify the approving authority in writing,

(a) in the case of a registered owner, service personally or by registered mail within thirty days after he is served with the notice, or, when he is served by publication, within thirty days after the first publication of the notice;

(b) in the case of an owner who is not a registered owner, within thirty days after the first publication of the notice.

THE APPROVING AUTHORITY IS

Minister of Transportation and Communications Parliament Buildings Toronto 5, Ontario.	Minister of Transportation and Communications W.G. Wile, Director, Right-Of-Way Branch.
--	---

NOTES:

1. The Expropriations Act, provides that,

(a) where an inquiry is requested, it shall be conducted by an inquiry officer appointed by the Minister of Justice and Attorney General;

(b) the inquiry officer,

(i) shall give every party to the inquiry an opportunity to present evidence and argument and to examine and cross-examine witnesses, either personally or by his counsel or agent, and

(ii) may recommend to the approving authority that a party to the inquiry be paid a fixed amount for his costs of the inquiry not to exceed \$200 and the approving authority may in its discretion order the expropriating authority to pay such costs forthwith.

2. 'owner' and 'registered owner' are defined in the Act as follows:

'owner' includes a mortgagee, tenant, execution creditor, a person entitled to a limited estate or interest in land, a committee of the estate of a mentally incompetent person or of a person incapable of managing his affairs, and a guardian, executor, administrator or trustee in whom land is vested;

'registered owner' means an owner of land whose interest in the land is defined and whose name is specified in an instrument in the proper registry, land titles or sheriff's office, and includes a person shown as a tenant of land on the last revised assessment roll;

3. The expropriating authority, each owner who notifies the approving authority that he desires a hearing in respect of the lands intended to be expropriated and any owner added as a party by the inquiry officer are parties to the inquiry.

SCHEDULE

All right, title and interest in the lands described as follows:

1. In the Township of Anson, Hindon and Minden, (formerly the Township of Minden), in the Provisional County of Haliburton, in the Province of Ontario, being:

(a) Part of Lots 5 and 6, East of Teesdale Street, Town Plot of Minden, for the Township of Minden, designated as Part 1

(b) Part of Lot 4, West of Teesdale Street, Town Plot of Minden, for the Township of Minden, designated as Part 2

(c) Part of Lots 1, 2, and 3, East of Seymour Street and Part of Lot 3, West of Teesdale Street, Town Plot of Minden, for the Township of Minden, designated as Part 3

(d) Part of Lots 1, 2, and 3, West of Teesdale Street and Part of Lot 1, East of Seymour Street, Town Plot of Minden, for the Township of Minden, designated as Part 4

(e) Part of Lot 2, Concession 'A', of the Township of Minden, designated as Part 6

on Ministry of Transportation and Communications' Plan P-2904-104 deposited in the Land Registry Office for the Registry Division of Haliburton as Plan 19R-462.

2. (a) Part of Lot 2, Concession 3, of the Township of Minden, designated as Part 3, Subject to the rights of the Municipal Corporation of the Town of Orillia as described in registered instrument number 3315

(b) Part of Lot 2, Concession 3, of the Township of Minden, designated as Part 4, Subject to an Ontario Hydro easement as described in registered instrument number 3924

on Ministry of Transportation and Communications' Plan P-2904-106 deposited in the Land Registry Office for the Registry Division of Haliburton as Plan 19R-464.

3. (a) Part of Lot 1, Concession 2, of the Township of Minden, designated as Part 1

(b) Part of Lot 1, Concession 2, of the Township of Minden designated as Part 2

(c) Part of Lot 1, Concession 2, Part of Lot 4, Concession 'A', and Part of the Road Allowance between Lot 1, Concession 2 and Lot 4, Concession 'A', of the Township of Minden, designated as Part 6

(d) Part of Lot 4, Concession 'A', of the Township of Minden, designated as Part 12

(e) Part of Lot 4, Concession 'A', of the Township of Minden, and Part of Lot 9, East of Bruce Street, Town Plot of Minden, designated as Part 17

Cooking

with

Cookie

by William Findlay

DUTCH MEAT LOAF (A-LA-COOKIE)

You will need: 2 or 3 lbs of minced beef, 1 cup of bread crumbs, half cup of all-purpose flour, three-quarters cup of spaghetti sauce (light or strong, whichever you wish), salt, pepper and a dash of Worcestershire sauce or soya sauce.

Into a large mixing bowl, mix all ingredients until they form one large piece. Prepare your pie dough and roll out to about one-eighth inch thick, place meat mixture into centre of dough and shape into the size of a small loaf of rye bread. Make sure your dough is longer than it is wide, but wide enough to cover one side of your meat. Now fold over one end of the dough over the meat, then the other end. With a pastry brush, brush the edges of the dough on both sides, then fold one side of dough over the meat so that it just meets the centre. If it overlaps too far, draw a sharp knife down the centre making a straight edge. Now fold over last piece and cut this straight, not too much but just enough to let it overlap about an inch.

Now into a cup break one egg (no shells, please). Add a quarter-cup of milk and mix well. Brush this over pastry and place Dutch Meat Loaf on a cookie sheet (Make sure cookie sheet has four sides or use a small size roast pan without a lid). With a fork press little holes all over the top (this will let the steam out so that the meat will not get too soft). Put into oven at 375 deg. until golden brown. To make sure when done, cut halfway down the centre and return to oven if necessary. (Not everyone shapes the meat to the same thickness, so cooking time can vary.) Now let's make a sauce that will go well with the meat loaf, and put a touch of Irish in it -

CREAMED GREENPEA SAUCE:

You will need: One can of green peas (14 oz.) 14 oz. of milk, cold water, flour, salt and pepper, 2 teaspoons sugar.

Now into 2-quart pot, pour in juice from peas, add 14 oz. milk (or 7 oz. water and 7 oz. canned milk). Place this on stove and bring to boil, being careful not to let mixture boil over. While liquid is coming to boil, mix three-quarters cup of flour with half-cup cold water to a very smooth paste. Pour flour mixture into liquid slowly, stirring constantly until mixture becomes fairly thick. Stir in sugar, add salt and pepper to taste. Add green peas and mix.

Slice Dutch Meat Loaf, place flat on dinner plate and cover with sauce. Serve with creamy mashed potatoes and steamed cauliflower if desired.

Well, that's all for now. See you next week.
